"Working together to succeed"

This half term's value:

Empathy

On Thursday, the whole school was visited by PCSO Rachel Mahoney.

She led an assembly for us all, to teach us all about the role of a Police Community Support Officer, and how they can help us.

Rachel showed us some of the uniform that she wears, and some of us even got to try it on! We were also given the opportunity to ask her a range of questions about her job.

Thank you!

Over the past few weeks, part of our school library has undergone a HUGE transformation, thanks to some of our wonderfully talented parents.

The children (and staff) across the school have been mesmerised by the paintings of the book character's that have appeared, and have loved watching it all come together.

Wellington School would like to say a huge thank you to:

Tiff Morgan and Kath Morgan

Your kindness and dedication towards our school is so gratefully appreciated.

Art WEEK

The whole school thoroughly enjoyed art week, and worked together to produce a collaborative piece of work.

The children revisited previous art skills to help make an underwater world which embraced and depicted the theme of belonging.

We hope you enjoyed viewing it during our parents evenings, in our wonderful, under the sea 'art gallery'

On Tuesday, we took part in Safer Internet Day, helping us learn about safer and responsible ways of using technology.

All children took part in an online, live workshop where they learnt about scamming and how to protect their personal information. From this, KS1 children created their own posters about how to keep safe online, and KS2 children played Interland, which is a puzzle game designed to show children how to keep safe whilst playing online games.

New and updated technology is making it's way to Wellington School!

Thanks to the Fern Academy Trust, a collection of brand new laptops and iPads will soon be joining our school, enabling us to further explore the advanced computing curriculum, and explore new Apps and learning.

As always, thank you for your ongoing support.

We wish you a happy February half term, and look forward to seeing you all again on **Monday 24th February**.

From all of the Wellington team
