"Working together to succeed"

This half term's value:

Cooperation

We have reached the end of our Summer term, and what a busy and memorable term it has been. All of the children have worked so hard, and have had so many happy and memorable learning experiences. This newsletter celebrates our last few weeks of school and the fantastic time we have all had.

THE GREATEST SHOWMAN

The wonderful children of Wellington Primary School would like to thank everyone who came to their fantastic performances of The Greatest Showman this week.

All of the staff were absolutely blown away by their performances, and are incredibly proud of each and every one of them.

Thank you to everyone who has supported us with this production; from costume collecting, scene painting and line and song learning. We couldn't have done it without you.

BRISTOL ZOO PROJECT

Rabbits spent a wonderfully sunny day at the Bristol Zoo Project, to consolidate their learning all about African animals.

The children were able to explore a range of animal's habitats, and see so animals up close. They particularly enjoyed seeing giraffes, red pandas, ostriches, meerkats, zebras, lemurs, bears, a lynx, wolverines, and even a pig pigeon!

Throughout the day, the children walked through forests, desert-like habitats, and even a rainforest; all whilst learning more about some of their favourite animals and how they are being protected.

All of the adults were blown away by the kindness and care that each child showed towards the animals and their homes, and by the fantastic behaviour that they showed throughout the day. for our school!
