"Working together to succeed"

This half term's value:

Reflectiveness

To kickstart the Summer term, we had a visit from two chartered building surveyors from the local council. They came into school and led an assembly and explained what their job involved, and explained that they use a drone to photograph hard to reach buildings.

From this, they then invited the whole school to watch a demonstration of the drone in action, and took some aerial shots of the children, staff and our school premises.

On Wednesday 9th April, Red Squirrels visited Aconbury Woods and took part in a session with the Royal Forestry Society.

The children took part in a number of activities, including learning about the importance of trees, 'tringo' (tree bingo), a trail through the woods identifying the different types of trees, as well as hunting for minibeasts.

The children also enjoyed a picnic lunch, and some free time in the woods, before returning to school.

As always, the staff were incredibly proud of the children for the impeccable manners that they displayed, and the enthusiasm that shone from them for their outdoor learning session.

Hedgehogs had such an exciting morning last term, when they were visited by Animals Interactive.

The children (and adults) got to hold, stroke and feed some amazing animals including; a skunk, a giant snake, a meerkat, a tortoise, guinea pigs, mice, a bearded dragon and even an owl!

The children were incredibly brave, and used kind hands when handling the animals.

What a wonderful treat!

Thank you to all of our children for their 'EGGCELLENT' entries for our decorate the egg competition.

It was an incredibly difficult decision for all of the teachers to choose a winner from each class, as they were all fantastic.

A big 'well done' to Jacob, Arizona, Dylan and Ellyn for their winning eggs. We hope you all enjoyed your chocolatey treat!

As always, thank you for your ongoing support.

We wish you a very happy Bank Holiday weekend, and look forward to seeing you all again on **Wednesday 7th May**.

From all of the Wellington team
