"Working together to succeed"

This half term's value:

Perseverance

Our EYFS department enjoyed a trip to the Courtyard this month to watch the spectacular show created by Jonathan Rockerfeller, which featured a menagerie of 75 loveable puppets. The production adapted four stories by author/illustrator Eric Carle: Brown Bear, Brown Bear, 10 Little Rubber Ducks, The Very Busy Spider and of course the star of the show - The Very Hungry Caterpillar.

The children and staff were amazed by the brilliant puppets and had the most magical morning!

Fantastic Four

Today we celebrated our Fantastic Four children. These children have radiated our school values this term; displaying kindness, determination and joy in everything that they do. To thank them, they had special letter posted home to them, and today they got to pick a very special prize from our super, new prize cabinet.

A huge well done to: Leia, Oliver J, Oliver R and Florence!

Year 5 and 6 visited the National Space Centre in Leicester this month as part of their learning in science.

They enjoyed exploring the museum's many exhibits, visiting its six interactive galleries and seeing the iconic 43m high rocket tower.

The children were great ambassadors for the school and had the most fantastic day!

As part of British science week, across the school the children took part in lots of different activities; including, paper plane making, nest building, dinosaur modelling, boat building, nature walks, and learning about the surface of Mars and what might be found there.

Thank you to all of our families who supported this week, and helped their child to take part in our Mission to Mars competition. It was so lovely to see so many of you at our showcase on Friday.

Thank you for helping us to have a super Spring Term. We hope that you all have a wonderful Easter break, and look forward to seeing you when we return to school on **Monday 13th April.**

From all of the Wellington team
