"Working together to succeed"

This half term's value:

Empathy

Guide dog visit

On Tuesday 21st January, the children in Rabbits were visited by Leanne and her guide dog Noah from The Royal National College for the blind.

The children had the opportunity to watch Noah at work and then ask Leanne any questions they had. All of the children enjoyed meeting Noah and really impressed the adults with their meaningful questions and the kindness and sensitivity that they showed.

National Handwriting Day

Thursday 23rd January was National Handwriting Day. It is a day dedicated to recognising the importance of handwriting and the whole school took part.

This week, our student voice children held their first official meeting with Miss Evans. Together, they discussed the importance of charities and talked about why they like to help people around us.

Following this, they put together a list and would like their peers to vote for the charity that means the most to them. From class votes, they will choose a 'school charity' that we will begin to fundraise for.

On Monday 20th January, our girls played against Burghill in the cup semi-final. The result didn't quite go our way, but it was an incredibly tight game (1-2) and the girls all played excellently. Well done to you all, we are very proud!

Cooking Club

Miss Blankley's cooking club had great fun making their own pizzas.

Once they were cooked, all the children enjoyed their very own 'pizza party.'

As always, thank you for your ongoing support.
