

Wellington Primary School Newsletter 5th July 2024

"Working together to succeed"

This half term's value:

Co-operation

Our Summer term in school is flying by, and we have all been enjoying many exciting learning experiences both inside and outside of school.

Our school has been full of Lion King songs and superb acting, ready for our end of year production.

We look forward to welcoming you to our performances on **Tuesday 16th and Wednesday 17th July.**

Oaker Wood NATURALLY ADVENTUROUS

Along with other year 6 children from our partner schools, our year 6's had an amazing residential trip to Oakerwood last week.

Accompanied by Mr. Hollingsworth and Mrs. Plowman, the children enjoyed a range of adventurous activities such as rafting, rope swings and even paintballing!

The children also had great fun staying up late to watch the football, making their own pizzas and being around the campfire.

All of the staff are so proud of year 6 for the courage, determination and enthusiasm that they showed on this trip. We know that they will have made so many lovely memories to take with them as they move on from Wellington Primary School.

Tiny TOWN

On Tuesday, Hedgehogs had a wonderful morning at Tiny Town in Hereford. They took full advantage of all of the different role play areas, particularly enjoying the hairdressers and construction site. It was lovely to watch their imagination come to life.

We are so proud of our youngest children for showing such great listening and behaviour.

Thank you to our fantastic PTFA for kindly funding this trip.

On Tuesday, Red Squirrels visited the waterworks museum in Hereford, to support their learning in science. They had a great day learning all about the water cycle, and how water is filtered to become clean. The children developed their teamwork skills by working together to build water pipes to help water travel around Hereford, and even enjoyed pond dipping in the afternoon to identify different pond life.

Mrs. Homer and Mrs. Ferreira were very impressed by the scientific skills that the children showed.

On Thursday, we opened our own polling station and carried out a school vote. We voted for our favourite "Friday treat". With the help from our student voice, we learnt about the importance of our choices, and how our vote can help to make a change.

The winning vote was "bring your own toy on the last day of school!"

As always, thank you for your ongoing support and engagement. We are all looking forward to the fun that the last few weeks of the busy and exciting Summer term brings.

Miss Evans
