"Working together to succeed"

This half term's value:

Co-operation

Welcome back to our last half term of the school year!

We have so many fun and exciting things planned over the next few weeks, and we can't wait to share them with you all.

We were all very excited to be asked to host for a special visitor to our school; Stacey Suter.

Stacey is a writer, who has recently written and published her own story; all about backpacking across the world.

Stacey was so excited to visit our school, for her first ever school reading and signing. She visited each of our classes, where she read us extracts from her book, talked about the places around the world that she had visited, and even answered some of our questions.

We then got the chance to purchase some of her fantastic books, and she even wrote each of us a special message inside.

Stacey was so blown away by the engagement, politeness and happiness that shone throughout our school, that she has even promised to visit us again with her new book.

Thank you Stacey!

Stacey Suter

Thank you to our wonderful PTFA for organising our second disco of the school year. We all had such fun on the last evening of last half term; showing off our finest dance moves, singing along to our favourite songs, and even taking part in a 'limbo' competition. Thank you too to "DJ Dan" for making it so memorable!

We hope that you have all been enjoying Wellington fun week, and that you have all spotted our Wellington School 'Olympic swimmer' at the front of our school. We have all enjoyed spotting the other scarecrows around the village, on our way to school.
