1. Aims

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#), through our whole-school culture and ethos that values good attendance, including:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure pupils have the support in place to attend school

We will also promote and support punctuality in attending lessons.

2. Legislation and guidance

This policy is based on the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#) and [school attendance parental responsibility measures](#). 3.4 Class Teachers

Class teachers are responsible for recording attendance for both morning and afternoon sessions on a daily basis, using the correct codes (see Appendix 1), and submitting this information to the school office.

3.5 School admin staff

School admin staff will:

- Take calls from parents/carers about absence on a day-to-day basis and record it on the school system
- Calls will also be taken by Student Support and our schools have a dedicated mobile phone specifically to record absence calls.

3.6 Parents

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents are expected to:

- Make sure their child attends every day on time
- Call the school to report their child's absence before school on the day of the absence and each subsequent day of absence), and advise when they are expected to return
- Provide the school with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day
- Seek support, where necessary, for maintaining good attendance, by contacting our attendance lead, or our Pastoral support team, who can be contacted via school.

3.7 Pupils

Pupils are expected to:

- Attend school every day, on time

4. Recording attendance

4.1 Attendance register

We will keep an electronic attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

At **Marlbrook, Wellington** and **St Martin's** the school doors are opened and teachers welcome the children from 8.30am until 8.40am when the doors are closed to ensure the safety and well-being of all our children. Any children arriving after this time must enter school through the main entrance door by the school office, and be signed in by the Admin / Pastoral Support staff.

School lessons commence at 8.45am. The school day finishes at 3.15pm. This is in accordance with statutory regulations for schools to be open for 32.5 hours per week.

4.2 Unplanned absence

The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence as soon as practically possible, by calling the school.

Attendance mobile number for Marlbrook : 0747 070 8788

Attendance mobile number for St Martin's : 0747 008 9894

We will mark absence due to physical or mental illness as authorised, unless the school has a genuine concern about the authenticity of the illness.

Where there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent notifies the school in advance of the appointment.

However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

Leave of absence forms can be picked up from the school office.

The pupil's parent must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code.

There will inevitably be occasions where children arrive late for school, and as a school we appreciate this. However, there are unfortunately some children who persistently arrive late. It is essential for the child to be in class for the start of lessons, if they are to gain the maximum benefit from the curriculum, and thus achieve their full potential academically. It is embarrassing for a child to enter a class that is already engaged in an activity and also distracting for the rest of the class if children are persistently late and the class teacher has to stop lessons to welcome latecomers.

As previously mentioned, lateness is recorded on the registers if children arrive after **8.40am**. Concerns regarding punctuality are dealt with in the same way as attendance concerns, and will therefore be reported to the Head/Attendance Officer/DSL as a matter of course.

Letters will be sent to parents from the Head.

4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Follow up on their absence with their parent/carer to ascertain the reason, by telephone, email and/or letter.
- The attendance officer will endeavour to contact families who have not contacted school on the first day of absence.
- Ensure proper safeguarding action is taken where necessary.
- Identify whether the absence is approved or not.
- Identify the correct attendance code to use

4.6 Reporting to parents

The school will regularly inform parents (see definition of 'parent', as used in this policy, in section 3.6 above) about their child's attendance and absence levels. Our schools report pupil attendance annually in the end of year report (published in July).

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The headteacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and in accordance with any leave of absence request form, from the school office. The headteacher may require evidence to support any request for leave of absence.

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart
- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- Attending work experience
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

5.2 Sanctions

Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

Penalty notices

The Local Authority or the Police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, it will check with the local authority before doing so, and send it a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day). These penalty notices are not included in the National Framework, not subject to the same considerations about support being provided, and do not count towards the limit as part of the escalation process.

In these cases, the parent must pay £60 within 21 days, or £120.

Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)
- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

6. Strategies for promoting attendance

Rewards for Good Attendance at Marlbrook and St Martin's

- We award half termly certificates to all children who have attended for 100% of the time that half term.
- We have a glass display case displayed in a prominent place in school; each half term we draw names from a ballot of children who have attained 100% attendance. These children can pick a prize from the display case - one from Key Stage 1, one from Lower Key Stage 2 and one from Upper Key Stage 2.
- An attendance shield is awarded termly to the class with the best attendance.
- Each term, the class with best attendance receive pizza on the last day of that term.

- Children who have achieved 100% all year receive a special attendance badge to keep from the Headteacher.
- Weekly certificates are awarded to the class with the highest attendance in both Key Stage 1 and Key Stage 2.
- Weekly prizes are awarded to two children drawn out of a prize draw for 100% attendance that week in both Key Stage 1 and Key Stage 2.

7. Supporting pupils who are absent or returning to school

Pupils absent due to complex barriers to attendance

- Arrange a meeting so that you may discuss the situation with our DSL / Attendance Lead
- Create a personalised action/support plan, to address any barriers to attendance and make clear each person's role in improving the attendance patterns of our pupils
- Offer signposting support to other agencies or services, if appropriate or undertake an Early Help Assessment with you;
- Refer the matter to an external agency for multi-agency support, or consult with Herefordshire Multi Agency Safeguarding Hub where there are safeguarding concerns.
- Refer to the Local Authority for joint enquiries to be made to establish the whereabouts of the child through Children Missing Education procedures if no contact has been made with parents by the 10th day of absence (or sooner if deemed appropriate).
- Refer the matter to the Local Authority for relevant legal sanctions, if attendance deteriorates following the above actions.
- To plan the correct support, we will always invite parents/carers and pupils to attend a meeting to discuss the concerns and devise a plan to support the child's regular attendance. Support offered to families will be child-centred and planned in discussion and agreement with both parents/carers and pupils.

8. Attendance monitoring

The school will compare attendance data to the national average and where available the Local Authority data, and share this with the Governing Board.

The Head and DSL are responsible for monitoring every child's attendance and punctuality.

Letters are sent to parents if the school is not notified of the reason for the child's absence. If letters are not returned and/or there are concerns regarding attendance, parents may be requested to attend a meeting with the Head or DSL.

All attendance patterns are reviewed weekly by the DSL. Children who are frequently absent or who demonstrate patterns of irregular attendance, even if these are accompanied by letters from parents, are noted by class teachers and concerns reported to the Head. The Head / DSL will then, depending on the individual situation:

- ✓ Send a series of letters home to the parent, expressing concern and offering support,
- ✓ Discuss individual cases with the Attendance Officer,

✓ Meet with parents,

✓ If attendance does not improve, the case will be referred to the LA Enforcement Team, who will continue to monitor attendance on the school's behalf, taking legal action where necessary. The Head and DSL meet regularly and at this meeting individual records are checked to ascertain whether or not attendance is improving, and :

✓ If there are any specific reasons for lack of attendance (e.g. hospital admission),

✓ If letters to parents are having an impact,

✓ If future absences should be recorded as unauthorised absences, ✓ If a home visit is required.

8.1 Monitoring attendance

The school will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level.

Specific pupil information will be shared with the DfE on request.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement, and share this with the governing board.

8.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance, and
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

8.3 Using data to improve attendance

The school will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see section 8.4 below)
- Provide regular attendance reports to class teachers to facilitate discussions with pupils and families, and to the governing board and school leaders (including special educational needs co-ordinators, designated safeguarding leads and pupil premium lead)
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies

- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

8.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school
 - Listen, and understand barriers to attendance
 - Explain the help that is available
 - Explain the potential consequences of, and sanctions for, persistent and severe absence
 - Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary (see section 5.2, above)

9 Monitoring arrangements

This policy will be reviewed as guidance from the local authority and/or DfE is updated, and as a minimum annually by Sue Jenkins (Head).

Our Collaboration of Schools uses Scholarpack to collect and store attendance data and use it for internal purposes. For example, to :

- Track the attendance of individual pupils,
- Identify whether or not there are particular groups of children whose absences may be a cause for concern,
- Monitor and evaluate those children identified as being in need of intervention and support.

Whilst the data is primarily for internal purposes, it can be requested by Social Care, in the event of social care concerns or by the legal system/police.

At every review, the policy will be approved by the full governing board.
